PROJECTS

Contoso Retail Analytics: SQL & Power BI | liamhaydon.github.io — Fall 2026

- Wrote T-SQL queries with CTEs and window functions (RANK, LAG, running totals) to rank top products per category, segment repeat vs. one-time customers, and measure year-over-year revenue growth
- Built a Power BI report on a star-schema model (sales fact table with product, customer and store dimensions) answering business questions on profit, delivery times and customer behavior
- Published a portfolio case study explaining each query line by line, and cross-checked Power BI figures in SQL

LEADERSHIP

Social Chair, Pi Kappa Phi (Eta Gamma Chapter) | University of Colorado Boulder — Nov 2025 – Present

- Plan and run social events and formals for a chapter of about 200 members, consistently among the three largest fraternities at CU Boulder
- Manage a semester budget of up to $100,000, negotiating pricing and logistics with vendors and keeping every event compliant with city safety regulations
- Build working relationships with other Greek organizations to co-plan joint events

Student Section Captain (Spirit Leader) | Saint Francis High School — Aug 2023 – May 2024

- Selected as one of four student leaders to organize and lead student sections at athletic events
- Ran content for the school activities Instagram account, including photography, video and captions

EXPERIENCE

Server, Bluestone Lane | Los Altos, CA — Summers 2025 & 2026

- Rotated across front-of-house roles (host stand, register, food running and table service) during high-volume rushes
- Processed cash and card transactions accurately while managing several tables at once
- Invited back for a second season based on reliability and performance

Retail Sales Associate, Tommy Bahama | Palo Alto, CA — May 2024 – Aug 2024

- Built rapport with repeat customers through personalized product recommendations
- Processed purchases, returns and exchanges, and fulfilled online orders
- Maintained merchandising displays and stock organization

Lifeguard, Palo Alto Hills Golf & Country Club | Palo Alto, CA — May 2021 – Sep 2021

- Monitored pool safety, staffed member check-in, and planned recreational events for members and guests
